Subject: RE: Air monitoring results?

Shawn,

We have not yet received any of the results but we expect them to begin to arrive later this week or next week. We will update the status of this on next week's call.

Subject: Air monitoring results?

Paul,

I meant to ask during the Monday call about air monitoring data from the particulate filters? When will data from on-site counts and lab be available?

Thanks,

Shawn Muenks, P.E.
